From Thursday 25th-Sunday 28th May we are privileged to have Cathrine and Michael from the St Anselm Community who will be speaking at various services and over meals. The St Anselm Community is based in Lambeth Palace. It is a radical new community of young people from around the world who are spending a year in God's time focusing on prayer and serving the poor. You can find out more about them on the following link <http://stanselm.org.uk/about/>

Each morning during the ten days there will be a 'Prayer for the Day' on the St Mary's Haddenham Facebook page and via st-marys-discuss. This is particularly for those whose work makes it difficult for them to attend any of the prayer events.

Haddenham Church will have Prayer Stations set up around the church from Sunday 28th May until mid June. Everyone is very welcome to come into the church and spend time using the material displayed to help them to pray. The church will be open during daylight hours.

There will also be Prayer Stations in Stone Church which will be open at the times stated.
